CASE NO. C 05-1507-JCS **MHP**

**STIPULATION AND [PROPOSED]  
ORDER REGARDING SERVICE OF  
PROCESS, TIME TO RESPOND TO  
FIRST AMENDED COMPLAINT,  
AND CONTINUANCE OF CASE  
MANAGEMENT DATES**

**STIPULATION**

WHEREAS:

A. Plaintiff Siliconix incorporated ("Siliconix") filed its First Amended Complaint for Patent Infringement (the "First Amended Complaint") in this action on June 23, 2005.

B. Siliconix served its Summons and First Amended Complaint on Defendants DENSO INTERNATIONAL AMERICA, Inc. ("DIAM") and TD Scan (U.S.A.), Inc. ("TD Scan") on June 24, 2005.

C. Siliconix has requested that Defendant DENSO CORPORATION ("DENSO") agree to permit its counsel, Kirkland & Ellis LLP, to accept service of Siliconix's Summons and First Amended Complaint so that Siliconix need not effect service through the provisions of the Hague Convention.

D. The parties believe that it will be more efficient for case management purposes to have a single date on which DIAM, TD Scan, and DENSO shall respond to the First Amended Complaint.

E. The parties also believe that it will be more efficient for case management purposes to conduct case management proceedings after DIAM, TD Scan, and DENSO have responded to the First Amended Complaint.

Accordingly, IT IS HEREBY STIPULATED by and between Siliconix on the one hand, and DIAM, TD Scan, and DENSO, on the other hand, through their respective counsel, as follows:

1. Siliconix shall serve its Summons and First Amended Complaint on DENSO by forwarding a copy of the Summons and First Amended Complaint to DENSO's counsel at Kirkland & Ellis LLP. The parties agree that neither the acceptance of the First Amended Complaint by DENSO's counsel nor this Stipulation will be used in any manner to argue or evidence that DENSO is or is not subject to jurisdiction of any Court in the United States.

2. DIAM, TD Scan, and DENSO shall have until and including August 26, 2005 to respond to Siliconix's First Amended Complaint.

1           3.       The parties shall have until and including September 30, 2005 to meet and confer  
2 regarding initial disclosures, early settlement, ADR process selection, and a discovery plan.

3           4.       The parties shall have until and including September 30, 2005 to file a Joint ADR  
4 Certification with Stipulation to ADR Process or a Notice of Need for ADR Phone Conference.

5           5.       The parties shall have until and including October 14, 2005 to serve their initial  
6 disclosures and to file a Case Management and Rule 26(f) Report.

7           6.       The Case Management Conference shall be held at 1:30 p.m. on October 21, 2005  
8 or such other date after October 21, 2005 that is convenient to the Court.
